

## **City of Sterling Community Electrical Aggregation Program**

Winning supplier= First Energy

Residential and Commercial 2 year rate is **4.67 cents**

Customers have the option of 100% Green Energy at 4.75 cents per kwhr. (See Opt out Letter)

If a residential or small commercial customer is on ComEd, and they want to join the community program, they do not have to do anything, enrollment is automatic.

If a residential customer is already on a supplier, they should check to see if there is a termination fee.

They can call the 1-866-636-3749 and enroll into the Community program.

Or, they can wait until their contract is up, then call this 866 # and enroll.

Electric Space Heat customers will benefit with the Community Program: ComEd winter rate for electric heat will be over 6 cents per kwhr.

This is the same for small commercial businesses.

Small commercial businesses are classified as under 15,000 annual kilowatt-hours.

Any other businesses over 15,000 kwhrs can call Rock River Energy Services at 1-815-732-4603 for a custom bid.

Any other calls or concerns, call Rock River Energy Services at 815-732-4603 or 815-751-8825
